

MEMORIAL GOLF TOURNAMENT

March 2023

Dear Friends and Community Partners,

This year's 30th Anniversary Jordan and Kyra Memorial Golf Tournament at Seascap Golf Club scheduled for Friday, September 8, 2023 is one event you do not want to miss. Be ready to celebrate and reminisce with us at our **final** golf event as we pass the baton to our tournament partners, Jacob's Heart Children's Cancer Support Services.

We would like everyone to understand that although the Jordan and Kyra Memorial Charity Golf *Tournament* is going into retirement, our *Foundation's* mission of supporting pediatric cancer research and family care will continue through long-term annual funding in accordance with our mission. This continued giving is only being made possible by the love and support you all have given to our tournament over the last three decades.

Jacob's Heart, who has been one of the beneficiaries of our event proceeds for the past 9 years, will take over the tournament reins beginning in 2024. Established in 1998, Jacob's Heart has been serving local families as they face the unimaginable: a pediatric cancer diagnosis. Throughout the years, Jacob's Heart has provided family-centered care that addresses the emotional, practical and financial struggles for families of children and teens during treatment, families experiencing anticipatory grief and those who are bereaved. Please learn more about Jacob's Heart at jacobsheart.org.

As for 2023, we plan to make it an extra memorable golf tournament, celebrating what this event has meant to so many people over the last 30 years. The highlight of the evening will be live performances of two very special songs; one for Jordan written, arranged, and performed by local singer/songwriter Mira Goto, and another written for Kyra by me (Dave) and arranged and performed by Kyra's cousin Austin Pillsbury. The format of the day will remain the same and will feature a golf tournament followed by a social reception with a silent auction and a dinner banquet. As in year's past, proceeds will benefit Jacob's Heart, as well as the pediatric cancer research being conducted by Dr. Matthew C. Havrda, PhD, at the Dartmouth Cancer Center. Funds will also support Family House, a home-away-from-home for families of seriously ill children receiving treatment at the UCSF Benioff Children's Hospital. Space in the tournament will be limited to the first 144 golfers, so please register early to guarantee your spot. Dinner-only tickets will also be sold for our non-golfing guests, but these seats will be limited as well. If you are unable to attend the event at Seascap, please consider donating an auction item, tournament prizes or tee gifts, or serve as a sponsor. The attached flier includes all of the playing and sponsorship opportunities that are available, as well as the contact information for tournament or auction inquiries.

One last time this September 8th, we look forward to delivering a first-class event featuring the same cherished traditions of past events in the memory of Jordan Stuart and Kyra Pillsbury. Please come share the special day with us. Visit jordanandkyra.org and click on the TOURNAMENT link to register today! Thank you from the bottom of our hearts for your 30 years of love. Together, we will continue to make an impact on the lives of children with cancer and their families.
